Please BE CONSERVATIVE with your electrical needs! We STRONGLY ENCOURAGE you to bring battery-operated calculators and manual credit card machines with you, in the event we lose power or are unable to fill your request. If you require electricity, you must provide your own extension cords. Everyone is very cooperative about sharing electrical outlets, so there should not be a problem. We will have an electrician available on Friday during set-up and on Saturday morning to help with any wiring or electrical needs.
